## LES ARCS FILM FESTIVAL

**Les Arcs Coproduction Village – December 10-13, 2022**

**Call for projects in development!**

**Les Arcs Industry Village** is Les Arcs Film Festival's professional event dedicated to the independent European film industry. It aims to increase the exposure of promising projects from all over Europe, to create a place for networking and support new partnerships. Each year, **550 professionals** (producers, sales agents, distributors, financiers, fund representatives *etc.*) are attending the festival's industry events.

**The Coproduction Village** gathers a selection of about **18 European projects in development** seeking coproducers and/or financiers, showcased to the professionals attending the festival. The producers with selected projects benefit from **one-to-one meetings, conferences and networking events**. The selected projects will compete for **the ArteKino International Award, of 6.000€**.
